

## Roar of Greatness (Quotes)

The great mystic and philosopher Rumi once said "Raise your words , not your voice, it's not the thunder but rains that grow flowers" In this book you will find an armada of great words raised like bayonets into potent permutations and combinations of great quotes that shall intrigue and inspire you. Roar of Greatness is the crème de la crème of Mahatman philosophy, the snippets of pragmatic wisdom that shall stir you to great action. These precious nuggets are handpicked by Sam Adettiwar himself from the treasure trove of Mahatman Philosophy. Every quote in this crisp book is a proclamation, a Roar of a thousand lions to usher in a new epoch of Greatness. This book will serve as a pithy guide to the lofty and action-oriented philosophy of Mahatman.
